

On the Approval of the Statute of the National Bank of the Republic of Belarus

Edict of the President of the Republic of Belarus No. 320 dated June 13, 2001

1. To approve the attached Statute of the National Bank of the Republic of Belarus.

1.1. Excluded.

2. To take necessary measures ensuring the execution by the National Bank of the Republic of Belarus of this Edict.

3. This Edict shall come into force as from the date of its signing.

A. LUKASHENKO

President of the Republic of Belarus

APPROVED

Edict of the President
of the Republic of Belarus
No. 320 (as amended by Edict
of the President of the Republic of Belarus
No. 285 dated June 19, 2007)

Statute of the National Bank of the Republic of Belarus

Chapter 1. General Provisions

1. The National Bank of the Republic of Belarus (hereinafter referred to as the "National Bank") is the central bank and a government agency of the Republic of Belarus operating exclusively in the interests of the Republic of Belarus.

2. In performing its activities, the National Bank shall be guided by the Constitution of the Republic of Belarus, the Banking Code of the Republic of Belarus, laws of the Republic of Belarus, regulatory legal acts of the President of the Republic of Belarus, and this Statute and shall be independent in its activities.

3. The National Bank shall be accountable to the President of the Republic of Belarus, the accountability meaning, inter alia, that:

- the President of the Republic of Belarus approves the Statute of the National Bank and modifications and/or amendments thereto;

- the President of the Republic of Belarus appoints, with the consent of the Council of the Republic of the National Assembly of the Republic of Belarus, the Chairperson and Members of the Board of the National Bank, and removes them from their positions notifying the Council of the Republic of the National Assembly of the Republic of Belarus accordingly;
- the President of the Republic of Belarus designates an audit organization to examine the annual accounting reports (financial statements) of the National Bank; and
- the President of the Republic of Belarus approves the annual report of the National Bank.

4. The main objectives of the National Bank shall be as follows:

- maintaining price stability;
- ensuring stability of the banking system of the Republic of Belarus; and
- ensuring efficient, reliable, and secure functioning of the payment system.

5. Gaining profit shall not be the main objective of the National Bank.

Chapter 2. Status of the National Bank

6. The National Bank is a legal person having its seal with the Coat of Arms of the Republic of Belarus and an inscription "Национальный банк Республики Беларусь" (National Bank of the Republic of Belarus). Its full name is:

- in Russian – "Национальный банк Республики Беларусь";
- in Belarusian – "Нацыянальны банк Рэспублікі Беларусь"; and
- in English – "National Bank of the Republic of Belarus".

7. The National Bank comprises the central office and organizational units located in the Republic of Belarus and abroad.

8. Organizational units of the National Bank include Regional Main Departments and Training Center.

Organizational units of the National Bank shall abide by the regulations approved by the Board of the National Bank.

9. The National Bank shall be entitled, in consultation with the President of the Republic of Belarus, to establish organizations required to support its activities.

Organizations of the National Bank shall operate under statutes approved by the Board of the National Bank.

10. The National Bank is headquartered at:
20, Nezavisimosty Ave., 220008, Minsk, Republic of Belarus.

Chapter 3. Functions of the National Bank

11. The National Bank shall operate within the scope of authority granted thereto by the Constitution of the Republic of Belarus, the Banking Code of the Republic of Belarus, other legislative acts of the Republic of Belarus, and this Statute.

12. The National Bank shall perform the following functions:

- develop the Republic of Belarus Monetary Policy Guidelines and pursue, in concert with the Government of the Republic of Belarus, unified monetary policy of the Republic of Belarus in the manner prescribed by legislative acts of the Republic of Belarus;
- perform transactions required to attain the main objectives of the National Bank;
- act as the lender of last resort with respect to banks and provide refinancing thereof;
- issue money;
- issue the National Bank's securities; carry out the issue of securities of the National Bank, determine the procedure for the issue, circulation and redemption of securities of the National Bank in agreement with the republican government body in charge of state regulation of the securities market;
- create the gold reserve stock and precious stones fund of the National Precious Metals and Precious Stones Foundation of the Republic of Belarus and manage it on a day-to-day basis within the scope of its authority;
- establish, in consultation with the President of the Republic of Belarus, gold and foreign exchange reserves and manage them within the scope of its authority;
- carry out foreign exchange regulation and foreign exchange control in accordance with legislation of the Republic of Belarus;
- establish the procedures for issuing permissions and submitting notifications required for foreign exchange regulation purposes, as well as issue permissions required for foreign exchange regulation purposes;
- regulate credit relations;
- regulate and organize money circulation;
- act as a financial agent for the Government of the Republic of Belarus and local executive and administrative bodies in the matters relating to the execution of the republican and local budgets;
- establish banking operations rules and procedures;

- give consent, in accordance with the procedures laid down thereby, for banks and non-bank financial institutions to engage in securities transactions in cases prescribed by law of the Republic of Belarus;
- authorize, in accordance with the procedures laid down thereby, banks and non-bank financial institutions to issue securities in cases prescribed by law of the Republic of Belarus;
- arrange for the activities of banks, non-bank financial institutions, and joint-stock company "Development Bank of the Republic of Belarus" involving the issuance and circulation of the bills of exchange, unless otherwise decreed by the President of the Republic of Belarus;
- engage in depositary activities in the manner prescribed by law of the Republic of Belarus;
- regulate relations in the field of financial instruments for futures transactions, with the exception of financial instruments traded on commodity exchanges and derivative securities;
- regulate relations arising out of pooling monetary funds and/or securities in the bank management fund on the basis of agreements on trust management of the bank management fund and in the cause of functioning of this fund, as well as define essential terms of agreements, procedures for entering into the above-mentioned agreements, as well as the rights, liabilities, and responsibilities of the parties thereto;
- prescribe procedures for cash and non-cash settlements in the Republic of Belarus, including the limits of cash settlements in Belarusian rubles between the legal entities, their detached units, and independent entrepreneurs;
- arrange for collection and transportation of cash, precious metals, precious stones, and other valuables;
- arrange for settlement and/or cash services to the Government of the Republic of Belarus and organizations referred to in paragraph 16 hereof, and other organizations in cases prescribed by legislative acts of the Republic of Belarus;
- prescribe procedures for opening and maintaining precious metals accounts by banks and non-bank financial institutions in the Republic of Belarus, as well as the terms and conditions of opening such accounts by residents* with banks and other credit institutions outside the Republic of Belarus;
- establish procedures for money transfers via the money transfer systems; request the rules of functioning of the systems involved,

* For the purposes of this Statute, the term "resident" shall have the meaning defined in paragraph 7 of Article 1 of the Law of the Republic of Belarus "On Foreign Exchange Regulation and Foreign Exchange Control" dated July 22, 2003 (National Register of Legal Acts of the Republic of Belarus, 2003, No.85, 2/978).

agreements on participation therein, and other information on the functioning of money transfer systems from banks participating therein; collect, systematize, and analyze information on the transmitted and repaid money transfers, conditions and methods of their performance, and other relevant information in accordance with international agreements of the Republic of Belarus;

- regulate the banks' and non-bank financial institutions' activities;
- carry out banking supervision;
- supervise the activities of joint-stock company "Development Bank of the Republic of Belarus";
- establish, in accordance with legal acts of the Republic of Belarus, procedures for state registration of banks and non-bank financial institutions and carry out state registration thereof;
- license banking activities;
- monitor financial stability;
- organize the functioning of the payment system of the Republic of Belarus and carry out supervision thereof; organize the functioning of the Automated System of Interbank Settlements (ASIS), as well as set methods and procedures for fulfilling obligations arising in the course of interbank settlements on operations involving banking payment cards issued by banks;
- create and develop the single settlement and information space, define the procedures for functioning of the single settlement and information space, as well as establish the rights and responsibilities of its participants;
- ensure the development of the interbank identification system (hereinafter - the "identification system"), adopt regulatory legal acts governing the identification system's operation, the rights and obligations of identification system's participants and procedures for their connection to the identification system, procedures for interaction between participants of the identification system with regard to the provision of information within the identification system, receipt of information from the identification system and use of such information, as well as take other measures aimed at ensuring the functioning of the identification system;
- ensure implementation of the single state policy in the field of accounting and accounting reports (financial statements) by the National Bank, banks, non-bank financial institutions, and joint-stock company "Development Bank of the Republic of Belarus", and consolidated accounting reports (financial statements) by the banking groups and banking holding companies;

- carry out general methodological regulation in the field of accounting and accounting reports (financial) statements at the National Bank, banks, non-bank financial institutions, and joint-stock company “Development Bank of the Republic of Belarus”, and consolidated accounting reports (financial) statements at the banking groups and banking holding companies, as well as exercise other powers in the field of accounting and accounting reports (financial) statements in accordance with legal acts of the Republic of Belarus;
- develop and approve the national accounting standards and accounting reports (financial statements) and other regulatory legal acts in the field of accounting and accounting reports (financial statements), including governing rules of accounting performed transactions and compiling individual and consolidated accounting and accounting reports (financial statements), which are binding on the National Bank, non-bank financial institutions, and joint-stock company “Development Bank of the Republic of Belarus”, banking groups and banking holding companies (excluding individual accounting reports (financial statements) of the head offices of the banking holdings being non-banks and non-bank financial institutions);
- prescribe for banks, non-bank financial institutions, and joint-stock company “Development Bank of the Republic of Belarus” the reporting forms on their activities and procedures for filling them;

51. The Board of the National Bank shall hold its meetings on an as-required basis but at least once a month. Its meetings shall be deemed competent if attended by at least seventy percent of the members, the attendance of the Chairperson (or alternate thereof) of the Board of the National Bank being mandatory.

Decisions of the Board of the National Bank shall be taken by a simple majority of votes of the members of the Board of the National Bank participating in its meeting. If the votes are equally divided, the decision voted by the Chairperson of the Board shall be deemed taken.

Decisions of the Board of the National Bank shall be taken in the form of resolutions. Decisions on the separate issues which do not include regulatory prescriptions may be executed in the form of protocols of the meetings of the Board of the National Bank.

52. The activities of the Board of the National Bank shall be governed by rules of procedure.

60. Excluded.

61. The Chairperson of the Board of the National Bank or, on his/her instruction, one of his/her deputies may participate in the meetings of the Presidium of the Council of Ministers of the Republic of Belarus in an advisory capacity.

62. The Chairperson of the Board of the National Bank shall direct activities of the National Bank, represent it as a government agency and central bank of the Republic of Belarus, and bear personal responsibility for performing functions entrusted to the National Bank.

63. In the absence of the Chairperson of the Board of the National Bank, his/her functions shall be performed by the First Deputy of the Chairperson of the Board of the National Bank, or, in his/her absence, by one of the Deputies of the Chairperson of the Board of the National Bank.

64. The Chairperson of the Board of the National Bank shall:

64.1. act on behalf of the National Bank and represent its interests without any power of attorney in relations with government agencies, credit institutions, foreign states' organizations, as well as international and other organizations;

64.2. inform the President of the Republic of Belarus about the main areas of the activities of the National Bank and its key decisions;

64.3. take chair at the meetings of the Board of the National Bank with the casting vote in case of a tie vote;

64.4. sign:

- regulatory legal acts adopted in concert with the Government of the Republic of Belarus, as well as jointly with republican bodies of state administration;
- resolutions adopted by the Board of the National Bank;
- minutes of the Board of the National Bank meetings;

- international treaties concluded by the National Bank; and
- annual accounting reports (financial statements) of the National Bank, which have been audited in line with legislation of the Republic of Belarus.

64.5. give recommendation to the President of the Republic of Belarus on appointing for the office (relieving of the office) Deputies of the Chairperson of the Board of the National Bank, and allocate responsibilities among them;

64.6. Excluded.

64.7. approve the staff list of the National Bank;

64.8. set salary rates for the National Bank's employees in accordance with legislation;

64.9. issue orders (directions) and give instructions binding upon all the National Bank's employees and its organizations; and

64.10. ensure fulfillment by the National Bank of its functions in accordance with the Banking Code of the Republic of Belarus and this Statute.

65. The power of attorney on behalf of the National Bank (including receipt, disbursement of cash, precious metals, precious stones and other property valuables) shall be issued (canceled) under the signature of the Chairperson of the Board of the National Bank, his/her Deputies or heads of structural units of the National Bank.

The power of attorney for receiving, disbursing cash, precious metals, precious stones and other property valuables shall also be signed by the Chief Accountant of the National Bank, or in cases provided for by the Board of the National Bank, other employees of the central office or structural units of the National Bank responsible for accounting.

66. The National Bank's staff shall include both civil servants and non-civil service employees performing technical maintenance of the National Bank.

67. The legal status of the National Bank's civil servants shall be provided for by civil service legislation of the Republic of Belarus.

68. In addition to restrictions imposed by civil service legislation of the Republic of Belarus, the National Bank's civil servants may not acquire in person or via an intermediary the shares (stakes) in banks or non-bank financial institutions.

The National Bank's employees may obtain credits from other banks.

69. Matters pertaining to the social development of the National Bank, including improvements in the conditions of labor and medical

services, shall be regulated by the collective bargaining agreement concluded in accordance with law.

Chapter 11. Regulatory Legal Acts of the National Bank

70. The National Bank shall, within the scope of its competence, adopt (issue) regulatory legal acts (resolutions of the Board of the National Bank) binding upon the republican bodies of state administration, local government and self-government, all banks and non-bank financial institutions, other legal persons operating in the Republic of Belarus, as well as natural persons.

71. The National Bank shall be entitled to adopt (issue) regulatory legal acts jointly with the Government of the Republic of Belarus or with the republican bodies of state administration.

72. Regulatory legal acts of the National Bank must be consistent with legislative acts of the Republic of Belarus. If a regulatory legal act of the National Bank contradicts any legislative act of the Republic of Belarus, the latter shall prevail.

73. Regulatory legal acts of the National Bank shall be subject to inclusion in the National Register of Legal Acts of the Republic of Belarus.

74. Regulatory legal acts of the National Bank shall be forwarded to the National Center of Legal Information of the Republic of Belarus for inclusion in the National Register of Legal Acts of the Republic of Belarus in the manner and within the time frame prescribed by legislation.

Regulatory legal acts adopted (issued) by the National Bank jointly with the Government of the Republic of Belarus or with the republican bodies of state administration shall be forwarded to the above Center by the agency that is indicated as being the first to adopt (issue) the regulatory legal act, unless otherwise stipulated by legislation.

75. The regulatory legal acts of the National Bank referred to in paragraph 74 of this Statute shall be accompanied by the opinion of the Ministry of Justice incorporating a well-grounded conclusion on compliance of the regulatory legal act with the requirements prescribed by legislation and permissibility of its inclusion in the National Register of Legal Acts of the Republic of Belarus taken on the evidence of mandatory legal examination conducted in the manner prescribed by the Council of Ministers of the Republic of Belarus.

76. Regulatory legal acts of the National Bank shall enter into force in the order provided for by legislative acts of the Republic of Belarus.

77. Excluded.

Chapter 12. Participation of the National Bank in Activities of Legal Persons and International Organizations

78. The National Bank, unless otherwise decreed by the President of the Republic of Belarus, may not participate in business companies and other legal persons, with the exception of individual banks, non-bank financial institutions, organizations responsible for repaying deposits of natural persons, organizations supporting the National Bank's activities, including those trading on the securities market, effecting inter-bank settlements, financing and/or developing and introducing banking technologies, as well as international organizations developing cooperation in the monetary, foreign exchange, and banking spheres.

79. Participation of the National Bank in organizations referred to in paragraph 78 of this Statute shall be decreed by the President of the Republic of Belarus.

80. The National Bank shall be entitled to establish, in the manner prescribed by legislation, mass media and act as an editorial board and distributor.

81. Subject to legislation, the National Bank may participate in activities of international banking foundations, unions, and associations.

82. The National Bank shall represent the Republic of Belarus in international organizations on the issues pertaining to monetary policy, foreign exchange regulation, and other matters within the scope of its competence.

83. Relations between the National Bank and credit institutions of foreign countries shall be established in compliance with international treaties of the Republic of Belarus, including inter-agency agreements, and other legislative acts.

Chapter 13. National Bank's Financial Statements

84. The annual reporting period for the National Bank shall be from January 1 through December 31.

85. Every year, before April 15, the National Bank shall submit to the President of the Republic of Belarus its annual report for the previous year.

86. The annual report of the National Bank shall include the following:

- report on the activities of the National Bank and implementation of the Republic of Belarus Monetary Policy Guidelines; and
- annual accounting reports (financial statements) (balance-sheet; statement of profit and losses; statement of earned profit and allocation thereof; statement of capital changes; statement of funds establishment and usage; statement of expenses relating to the upkeep of the National Bank; statement of capital investments budget execution, and notes to the statements) which have been audited in line with legislation of the Republic of Belarus.

87. Once approved by the President of the Republic of Belarus, the annual report of the National Bank shall be placed on the National Bank's official website.

87¹. The National Bank shall prepare annual consolidated financial statements in accordance with international financial reporting standards on an annual basis.

The annual consolidated financial statements of the National Bank, compiled in accordance with international financial reporting standards, after approval thereof by the Board of the National Bank shall be placed together with an audit report on the official website of the National Bank in the global computer network Internet.

Chapter 14. Auditing Financial Statements and Internal Audit of the National Bank

88. Annual accounting (financial) statements and annual consolidated financial statements of the National Bank shall be audited in compliance with international financial reporting standards in the order provided for by legislation of the Republic of Belarus.

An audit organization for auditing the National Bank's annual accounting (financial) statements and annual consolidated financial statements in accordance with international financial reporting standards shall be chosen by the President of the Republic of Belarus for a term not exceeding five years out of several institutions proposed by the National Bank.

89. The National Bank must, pursuant to a contract concluded with the audit organization, provide all required statements and information necessary for carrying out the audit.

90. The audit contract shall envisage the volume of information to be provided, as well as the audit organization's liability for disclosure of this information to a third party.

91. Internal audit at the National Bank, including inspections of the safekeeping of cash and other valuables in the National Bank's vaults, shall be exercised by the internal audit function in the order established by the Board of the National Bank.

The National Bank's organizations shall be examined in accordance with legislation of the Republic of Belarus.
