(1) The Bank shall establish a General Reserve Fund to which allocations shall be made in accordance with this section.

(2) The profit of the Bank shall be distributed in the following order

- (a) twenty-five per cent or one million Kwacha, whichever is higher, to the General Reserve Fund until it reaches ten per cent of the amount of the currency (bank notes and coins) in circulation as at the end of the respective financial year:

Provided that if the profit is less than one million the whole of it shall be allocated to the General Reserve Fund;

- (b) in the event of a loss incurred by the Bank, such loss shall be deducted from the General Reserve Fund and if the General Reserve Fund is exhausted, the Government shall immediately cover the remaining loss without an appropriation Act being necessary.

(3) With the approval of the Minister further allocations may be made from time to time to the General Reserve Fund.

(4) The remainder of the net profits shall be transferred to the Government:

Provided that in the event of outstanding promissory notes issued by the Government to cover losses from currency devaluation, ten per cent of the net profit or one million Kwacha, whichever is higher, shall be credited to a special account to be used to redeem such outstanding amounts of promissory notes, and if the remainder of the net profits would be less than one million Kwacha the whole of the remainder shall be credited to the special account.

(5) Results from any devaluation or revaluation of the Malawi currency shall be posted directly into a special account without affecting the Bank's profit and loss account and any devaluation losses shall be covered by promissory notes of the Government on such terms and conditions as shall be agreed upon between the Minister and the Bank.
